

## **Planning and Controlling Course**

**10am - 4pm Saturday 1st Feb - Crawley**

This course is suitable for:

- i) Those with some previous planning experience that are interested in becoming a controller.
- ii) Grade C controllers interested in becoming a Grade B controller.
- iii) Those just interested in improving their existing skills.

Following some basic pre-course reading the day will start at the K2 Leisure Centre for an initial briefing. This will be followed by a practical exercise in Tilgate Park.

In the afternoon we will move to Three Bridges community centre where the group will split into separate classes based on i-iii above.

The course will be led by Neil Crickmore and Katy Stubbs, both Grade A controllers.

Please let Neil know ([n.crickmore@tesco.net](mailto:n.crickmore@tesco.net)) if you would like to attend. Pre-course information will be sent out nearer the date.
