Map: Scale 1:10,000, 5m contours, updated 2015.

Terrain: Typical New Forest terrain of open heathland and runnable woodland. The deciduous and coniferous woodland areas are linked by a network of forest tracks and rides. After rainfall the rides are likely to become very muddy.

Start: There is an approx 1km walk to the start and back from the finish.

Clothing: Full leg cover must be worn. Full arm cover is recommended. Whistles should be carried. In adverse weather we may ask you to wear a cagoule or similar waterproof top.

For more information and late-breaking news visit www.novemberclassic.org

String course: Unfortunately there will be no String course for young children. We hope to arrange an activity in the form of a maze.

Dogs: Dogs should be kept under control and on a lead when necessary.

Cancellation: Cancellation is a last resort, however if very bad weather is forecast or some unforeseen event makes it necessary to cancel, a notice will be placed on the SOC, November Classic and British Orienteering websites. If the event is cancelled, SOC reserves the right to retain part of the entry fee to cover unavoidable costs.
